

On Sunday, April 26th, the Queen City Chess Club of Charlotte, NC and the Tidewater Chess Club of Norfolk, VA met in Henderson, NC for a friendly club match. The match was organized by Mike Eberhardinger of the QCCC with some assistance from Ernie Schlich of the TCC. Unfortunately, the TCC lost 3 of our scheduled participants just before Sunday and only was able to find one replacement. Therefore, the match was only 10 vs.10 rather than the 12-12 boards as originally planned. The match was played at a time control of G/90 with 5 minutes removed from delay clocks. In another change from the typical match, all the members of a club played the same color in each round.
